- Climbing on to the stairway that leads up into the cab of the fire lookout tower is strictly prohibited.
- Hunting is not allowed on the Weogufka State Forest property.
- Horses are not allowed on any of the hiking trails on the Weogufka State Forest property.
- All items brought in must be carried out, including trash. There are no trash receptacles or trash pickup service available at the Weogufka State Forest.
- Cutting down live trees for campfires or any other purposes is prohibited.
- Camp fires and warming fires must be totally extinguished before leaving your camping/cooking area unattended.
- All rocks guests use to construct fire rings should be removed from the areas that are maintained by mowing.
- Gates should remain closed at all times unless otherwise instructed by authorized personnel.
- The Alabama Forestry Commission is not responsible for accidents, personal injury or damage/theft of personal property.

*We hope you enjoy your visit to the Weogufka State Forest!*
